## *McEvoy Trophy*

*Wednesday 21<sup>st</sup> April 2010*

Costessey Park's Matthew Bacon performed well in this season's first major junior national event. Competing in the McEvoy Trophy held annually at Copt Heath near Birmingham, Matthew finished the tournament in joint 19<sup>th</sup> place with a four-round total of 288, four over par. This was Matthew's first appearance in this event and going into the last round he was in 7<sup>th</sup> position, bringing his obvious ability to the attention of the England Boys Selectors. Unfortunately a couple of pieces of bad luck in the last round hampered his progression, but this was a very creditable performance carrying on from a superb season last year. Next up for Matthew in national events is a trip to Lancashire and the Fairhaven Trophy at the end of April, where he will be looking again to challenge the country's best young golfing talent.
