## ***Mail on Sunday Classic 2010 – Round 7***

**The Costessey Park Mail on Sunday team went down bravely against a resolute Waldringfield on Sunday, losing 3.5 to 1.5.**

**Tony D'eath led the way with a good 2 up victory after giving away a shot.**

**The comeback kid, Dave Porter, left himself a little too much to do against a very, very good 16 handicapper and also had to give away a shot. He lost 5 and 4.**

**Ian Thomson again gave a captain's performance to get a half out of a tough match after being 4 down at one point and having to give away 6 shots.**

**Duane James found himself 7 down after 7 holes and couldn't really recover, finishing up losing 7 and 6, he received 2 shots.**

**Vice-Captain Paul Killingback lost 5 & 4, having to give away 2 shots.**

**Special thanks to Kevin Pratt who helped us tremendously by preparing course maps for the team and caddying on the day, to Garry Davis for providing the transport and caddying and to Jeannie for caddying on the day and providing much-needed supplies of food and drink.**

**We've had a fantastic run this year, beating the likes of Eaton, Sprowston, Kings Lynn, Feltwell and Bawburgh and have had terrific support from members along the way.**

**I'm a very proud captain and want to thank the team members John Watson, Tony D'eath, Duane James, Dave Porter and Paul Killingback for giving up their valuable time and money to represent the club so well. I would also like to thank the committee for funding the team shirts and food for the matches, the golf club for supporting us through the rounds and providing courtesy rounds to other clubs to play and the members who offered complete support and best wishes.**

**Thank you.**

**Ian Thomson**
